

West and Southeast REALTORS® of the Valley (WeSERV) Endorses Nikki Amberg for Tempe City Council

Press Release Chandler, Az – January 30, 2024 15:30

The West and Southeast REALTORS® of the Valley (WeSERV) announces its support for Nikki Amberg, running for Tempe City Council.

WeSERV appreciates Nikki’s extensive experience in policy making, particularly her experience with Arizona State budget and policy.

When making an endorsement decision, the Association considers a candidate’s strengths in economic development, transportation, private property rights, economic vitality, housing opportunities and building better communities.

“Nikki impressed us with her extensive background in policy making, government budgeting and her community volunteer experience. She indicated to us a love for research and discussions with people of differing viewpoints. Nikki discussed her view that a city budget should concentrate on core services to its residents, and then allocate funds to wanted services as funds allow. As an Association whose members are Independent Contractors and business owners, WeSERV understands how important a well crafted budget is to future success.”
